Easy-to-use

Easy-to-use mechanical temperature control. With mechanical temperature control, you can easily set your preferences and keep your favorite foods evenly chilled.

Compact in size

Enjoy a compact fridge with extra storage space, including a wide door rack that can accommodate 2-liter bottles and more.

Spacious in design

Includes spacious freezer compartment for foods that need extra chilling. With a separate freezer compartment, you can stock up and store all your favorite frozen treats.

Equipped with self closing doors, vegetable crisper and glass shelves

Perfect for any layout

Reversible refrigerator door - conveniently set your fridge door to open to the left or right, depending on the layout of your kitchen.
